Twin Sisters Native Plants Nursery

2118 N, Hiway 29, PO Box 298

Moberly Lake, BC V0C 1X0

Green house staff are needed for our Twin Sisters Native Plants Nursery located at Moberly Lake near Chetwynd, BC. Nursery operations include the **collection of seed** and propagation of native plant species for our customers specific to their needs and location. Nursery production will focus on plant propagation for use in ecological restoration, reclamation site remediation, and landscaping projects.

We are looking for 3-4 dynamic individuals to fill the positions of Greenhouse Workers. Our ideal candidates are highly organised, team players and have good work ethics with strong communication skills. Preferably the successful candidates will have completed the “**Growing Our Futures**” training program and have received the certificate from Royal Roads University. We will consider applicants with a different combination of experience and education. It is hoped that you will also have strong research and native plant identification skills.

The Greenhouse Technicians are responsible for all aspects of plant production. Additional duties may include: **seed collection**, seeding and **seed processing/cleaning, shipping**. As the nursery is relatively small, all employees may be expected to help in other areas not listed in the above job requirements.

Anticipated start date of May 19, 2014. If you are interested in this opportunity and believe you have the right combination of skills, please apply for this exciting opportunity with our business.

This posting will remain open until May 15, 2014

TO APPLY: Qualified applicants must provide detailed letter of interest, current resume, and three references. Only applications submitted via email will be accepted.
