

TRAILS CLOSED

140.4mm of rain has fallen since Thursday!!

Many trails around the District of Chetwynd have been closed due to the heavy rainfall over the past few days which caused unstable banks along the creeks. Please stay off of these trails for your own safety and please remember to keep yourself, children and pets well away from fast moving streams and creeks. The District of Chetwynd continues to have sandbags available outside the Public Works yard compound at the airport for those who need them. There is also a sand pile and bags available there if you would like to make your own sandbags. Thank you. If you require further information please contact the District Office 250-401-4100.
