Subject: CALP support letter request

Hello Deanne,

Could you please pass on this request to Mayor Courtoreille and Council, to provide a support letter for the Community Adult Literacy Program funding application for 2019-2020?

Attached is the most recent support letter I have in my files, for the 2017-18 application. There have been some changes to the sponsorship and programming in the past year, and upcoming years, and so I have drafted a sample letter below, for your assistance.

Please address the new letter to Louis Chen. His email address is louis.chen@gov.bc.ca

We would appreciate the letter by March 29. Thank you!

Donna

Dear Louis Chen,

On behalf of the District of Chetwynd, I would like to express my support for the Community Adult Literacy Program (CALP) in Chetwynd, BC.

This project is important to our community because it addresses key concerns, notably strengthening literacy skills to allow individuals to enjoy all of the aspects of life in the community and be independent self-advocates who can access all of the services available.

Northern Lights College and Tansi Friendship Center who are sponsoring this grant application are important assets in Chetwynd. They are partners in addressing the literacy concerns of the community.

We are grateful for the opportunity that the Ministry of Advanced Education is providing with the CALP grant, and I strongly recommend the awarding of this grant to Northern Lights College and Tansi Friendship Center.

Sincerely,

Allan Courtoreille
Mayor
