Greetings from Calgary, Ab

We recently visited the community of Chetwynd with the purpose of visiting our brother, Roger Demmans, grave as well as to tour your community. It was a very pleasant surprise to see the cemetery immaculately cared for!

We reacquainted with friends that gave us a phenomenal tour. The wood carvings are amazing!

Attached is a cemetery sign from my home town of LaRonge, Sk that may interest one of your wood carvers.

Thank you once again to Shawna Patterson for providing us with a map highlighting the grave as well as a photo of the headstone. Much appreciated!
