The BC Council of Forest Industries' Annual Convention is the largest gathering of the forest sector in Western Canada. Under the theme of *"Where Do We Stand? Strategies for Competitiveness and Sustainability"* the 2025 COFI Convention will tackle the factors and innovations now actively reshaping the future of the forest sector. It will provide stakeholders from across the industry, its supply chain and workforce with a critical platform for engaging with leaders in government, First Nations, and communities on the path forward.

**April 2-4, 2025**  
at the Prince George Civic Centre
