If the District of Chetwynd can provide a dog that meets our satisfaction we shall:

Purchase a current dog license (if a resident of Chetwynd). \_\_\_\_\_

Keep the license current as long as we own the dog. \_\_\_\_\_

Have the dog neutered or spayed. \_\_\_\_\_

Ensure the dog has all necessary needles and vaccinations. \_\_\_\_\_

Remove the dog to a permanent home outside Chetwynd boundaries. \_\_\_\_\_

Your application to "Adopt a Dog" will be held on file until you request it to be removed. There is a minimum of a three week waiting period, after the District receives and approves your application.

Applications will not be approved until all outstanding animal control fines have been paid in full. Successful applicants will have the opportunity to refuse any dog offered to them by the District.
