The District of Chetwynd, the Village of Pouce Coupe and the City of Dawson Creek will continue to enforce the Province-wide fire ban until further notice. Each of the above communities have agreed to be compliant with the Provincial order and urge all residents to be fire safe at all times. Residents are reminded that campfires are banned in each community along with open burning, torches of any type, incinerators and fireworks. To report a wildfire or irresponsible behavior call 1 800 663-5555 or *5555 from a cell phone. Information from the public is crucial to ensuring wildfires are responded to as soon as possible. All calls are answered by BC Wildfire Service staff at the Provincial Forest Fire Reporting Centre. Any information you can provide is helpful.

In the case of a fire emergency, please call 911.
