

# JUST FOR GIRLS!

We're inviting girls to hang out with their friends and our program leaders on Friday afternoons for snacks and fun filled activities such as crafts, games, baking and so much more!

Confidence building and empowerment will be emphasized in this safe space where girls will be encouraged to be proud of who they are!

Girls will have their say in what we plan and do, so be sure to bring all of your great ideas!

OCTOBER 5TH - DECEMBER 7TH

3:15-5:30PM

6-9 YEARS
