The Annual Chetwynd International Chainsaw Carving Championship has visually shaped Chetwynd into a one-of-a-kind locale. Artists from all over the world compete in this unique competition. The District of Chetwynd keeps each intricately carved piece from the championship and places them throughout town.

- Spectators can watch the artists create their works of art over the four days from start to finish
- Today, competitors come from as far as Wales and Japan to compete
- Don't miss the quick carve competition held on Sunday and your chance to bid on a piece at the auction!
- Over 150 carvings and more added each year!
- Self-guided Walking Tour - pickup a brochure at the Visitor Centre
