Pool Policies:

- Children under the age of 8 must be accompanied by a responsible person who always remains within arm’s reach. The accompanying person must be in the swimming pool with the child, and not sitting or standing on the deck.
- There is a limit of 4 children under the age of 8 per adult. It is strongly recommended that adults bringing in children, who cannot swim, limit the number to 4 children; regardless of their age.
- If a PFD or Lifejacket is used, the same rules as above apply.
- The family rate applies to 2 adults, or seniors, and any minor children living in the same household. If you wish to bring other family members, please pay the drop-in rate for each extra person.
- We require children who are not toilet trained to wear a swim diaper. Regular diapers are not permitted in the swimming pool. We sell one-time use diapers.
