

The Chetwynd Community Foundation was formed in 2008. Pioneered by a small core of dedicated residents, the groundwork was laid to provide a lasting legacy for the community. The vision behind this initiative was to provide an opportunity for residents in the Chetwynd area to **utilize this resource to strengthen our community.**

This Foundation belongs to us. Our collected donations will stay local. Our endowments will stay local. Our grant allocations will stay local.

By being able to have access to a locally controlled resource, Chetwynd residents can ensure that our Community Foundation will always remain *our resource*.

The Directors of the Chetwynd Community Foundation had the initiative to start the process, it is up to all of us to make it a success. We are confident that the strength of our community will foster the continued growth of our Community Foundation.

Thank you for your interest.
