Decontamination Building

The District of Chetwynd is inviting local contractors to bid on the preparation, building and setup of a “decontamination building” for use of the Fire Department and other municipal personnel hereby referred as the “building”.

Contractors can view the architectural plans as per the District of Chetwynd at www.gochetwynd.com.

The scope of work will include an overall quote for the following:

- Site preparation for a building 800 square feet beside the Chetwynd Fire Hall and the Tourist Info Centre.
- Constructing the building as per the architect plans and drawings including plumbing and electric work;
- Placement & hookup of the said building with all utilities (i.e. hydro, natural gas, water and sewer);
- Plan for limited landscaping after construction and sheltering for winter conditions; and,
- Inclusion of the dismantling of the building if required.

Tenders are requested to give quotes along with a timeline for construction.

If you have any questions please contact Fire Chief Leo Sabulsky at 250-788-6344.

Please submit your quotes to lsabulsky@gochetwynd.com by 2:00 pm May 9, 2019
