

CIVIC AWARDS 2019: Celebrating our Residents

Civic awards are intended to recognize volunteer work in the community of Chetwynd, in schools and in service to fellow citizens. The awards are not intended for those who, in the course of their occupation complete their tasks in an outstanding manner, but those who perform the good deeds purely out of volunteerism and civic duty. Whatever the endeavor, big or small, these people deserve to be recognized and applauded for their efforts. If you know of an individual who has gone out of his/her way for others and fits into the criteria below during the course of the current year, then please complete this nomination form for the consideration of a civic award.
