

# DISTRICT OF CHETWYND

## WE ARE SLOWLY RE-OPENING AS RESTRICTIONS ARE LIFTED AND SAFETY PRECAUTIONS ARE PUT IN PLACE

The District Office is open and Rec Centre gym is open, but please maintain physical distancing, wash your hands before and after attending, and do not enter the facilities if you are ill or have been exposed to COVID-19.

Trails and fields are open; playgrounds are being opened after an initial disinfection process but please utilize physical distancing and ensure your children wash their hands before and after playing.

## Recycling

778 bags of recycling were picked up from the curbside on May 7th; 648 were picked up on May 21st. Thanks Chetwynd! Together we are making a difference.

## Contaminated Items

Thanks for not throwing away contaminated items in the garbage; your good efforts are starting to make a difference in our land fill invoices, which means fewer costs will need to be passed along to the taxpayers.

## Sani Dump

The water has been turned on at the sani dump near the museum.

## Thank You

We would like to send out a huge THANK YOU to all the volunteers who have helped with food deliveries while we have all been working through this pandemic.

**PLEASE STAY  
AWAY FROM  
CREEKS DURING  
THIS TIME OF  
FRESHET; THE  
CREEK BANKS  
ARE SOFT AND  
COULD GIVE  
WAY WITHOUT  
WARNING.**
