

Late Item RA-2

COUNCIL AGENDA REPORT

DATE:	September 11, 2020	COUNCIL MEETING DATE:	September 14, 2020
DEPARTMENT:	Economic Development / Parks Department / Fire Department		
SUBJECT:	Community Resiliency Investment Program		

PURPOSE:

To seek Council's authorization to apply for a \$36,750 Community Wildfire Protection Plan Grant from the Ministry of Forests, Lands, Natural Resource Operations and Rural Development.

SUMMARY/BACKGROUND:

On December 5, 2018 Council authorized Administration to apply for a \$25,000 Community Wildfire Protection Plan Grant from the Ministry of Forests, Lands, Natural Resource Operations and Rural Development (FLNRORD) with the attached recommendations:

The Community Wildfire Protection Plan started in 2019 and was estimated to be completed in 2020. Due to changes in the scope to include the fire protection area, mapping and other components the timeline has been requested to be completed January 28, 2021 and increase the funding model from 25,000 to 36,750. The increase followed by our area zoning for fire hazards increases the amount we would qualify for funding supports as we are classified in Zone 2.

RECOMMENDATION(S):

That Council receive for information; or

That Council approve the revised application budget for a \$36,750 Community Wildfire Protection Plan grant from the Ministry of Forest, Lands, Natural Resources Operations and Rural Development with UBCM
