

DISTRICT OF CHETWYND NEWSLETTER

Community Garden

The Community Garden is located behind the Pine Valley Exhibition Park. We had over 18 gardeners this harvest season. The greenhouse has been added to support and assist our community in food security. The new greenhouse was funded by grants from the Northern Development Initiative Trust. To register for the 2022 season contact parks at 250-401-4100.

Chetwynd Dog Park

The Chetwynd Dog Park is located in the greenspace behind the Rotary Park. You can access from the Rotary Park soccer fields or behind the Legion Hall. If accessing the dog park from the South Access Road by vehicle, please park on the side of the road. There is a small and large dog play area and connecting trails on the Moccasin Flat Trail network. This area is a beautiful addition that was funded by grants from Northern Development Initiative Trust.
