POOL POLICIES

- Children under the age of 8 must be accompanied by a responsible person at least 16 years in age and always remain within arm's reach. This person must be in the swimming pool, not sitting or standing on deck.
- A limit of 4 children per adult under the age of 8. It is strongly recommended that adults bringing in children, who cannot swim, be limited to 4 children regardless of age.
- If a PFD or Lifejacket is used, the same rules apply.
- Family rate applies to 2 adults or seniors and minor children living in the same household. If you wish to bring other family members with you, just pay the drop in rate for each person over the family rate.
- For those children who are not toilet learned, we required that they wear a swim diaper. Regular diapers are not permitted in the swimming pool. We sell one-time use diapers.
