Purchasing Notice

The District of Chetwynd intends to purchase ultrasonic equipment for algae control in our raw water ponds.

If you are able to provide ultrasonic equipment for algae control you may contact the District of Chetwynd Engineering and Public Works Department at 250-401-4100 to request more information about the work or to arrange a site visit to view the work area.

Vision Statement

Chetwynd exists in order that area residents have sustainable opportunities for
Security, Health, Safety and Prosperity
in surroundings that display the best of our natural environment.
